WHAT IS AN INTERNATIONAL STUDENT IN TURKEY?

An international student is somebody who:

- Who is foreign,
- Who was born Turkish but has left Turkish citizenship,
- Who was born in a different nationality but obtained Turkish citizenship later,
- Turkish citizens who have completed their high school education in a country other than Turkey,
- Citizens of the Turkish Republic of Northern Cyprus who completed all of their high school education in Northern Cyprus and hold GCE-AL examination results or have completed high school in a different country.

HOW TO BECOME AN INTERNATIONAL STUDENT

Every university has a different application process and a different calendar.

Applications can be taken by:

- a) High School Diploma GPA
- b) Entrance examination for International Students (YÖS)

Applications are normally taken online

YÖS EXAMINATIONS

Some universities have their own YÖS examination and accept only the results of their university YÖS examination.

Some universities have their own YÖS examinations and accept YÖS examination results from other university YÖS examinations.

Some universities do not have a YÖS examination but accept YÖS examination results from other university YÖS examinations.

DETAILS OF YÖS EXAMINATIONS

Some universities have an examination only on their own campus.

Some universities have examinations on their own campus and other cities in Turkey.

Some universities have examinations in many different countries.

One university has an on-line YÖS examination.

YÖS examinations generally consist of mathematics, geometry and general logic problems.

Some universities have an extra Turkish language examination.

YÖS examinations generally have an application fee associated with them (this varies according to the university)

HOW TO APPLY AS AN INTERNATIONAL STUDENT

Follow the website of the university you want to apply to

There will be an announcement of the application dates and documents required for application

If there is an examination fee, you will need to pay it

Upload your documents on to the application system

Download your examination entrance document

Take the YÖS examination

Wait for the results

If you have a place, register at the required time and place.

LANGUAGE ISSUES

COURSES IN ENGLISH

- Programmes in Engineering (Computer, Civil, Electric-Electronic, Food, Mechanical Engineering)

International Relations (on Aydın Main campus)

- English Language and Literature, French Language and Literature, German Language and Literature. (These have some translation courses – Students need Turkish and the foreign language).
- Faculty of Education, English Language Teaching

All other courses are in Turkish.

English/French/German courses have English/French/German Preparatory year.
Turkish Courses have Turkish Preparatory year.

TÖMER

TÖMER is a language centre for learning Turkish. There are many centres in Turkey.

Also the Yunus Emre Institute – has centres in Turkey and 56 centres around the world.

ADÜTÖMER runs Turkish courses throughout the academic year starting from A1 level until C1.

There are 6 levels and each level is 1000 Turkish liras for students who are not registered at this university.
