Coordinators Meeting in Brussels 29.11. -05.12.2018

Having accomplished our first project meeting in Brussels including a visit of the European institutions, we have learned about future employment policies and future actions against youth unemployment; we have found out about strategic working sectors for the EU in the coming years;

we have gathered information on possible support for our students (scholarships, programs, etc.); we have been invited to share our project's results in upcoming European conferences and discussions on secondary education and youth unemployment.
